**an e-mail to
Dr. Ray...**

Dear Dr. Ray,

I just wanted to tell you that this has been the most rewarding year I've had in the 12 years that I've been practicing. We've helped so many patients get healthier and happier!! We've seen growth and amazing numbers all around!! Because of **EZ Practice Growth**, one of my best weeks of collections in 12 years was the week before Thanksgiving!!

I'm absolutely charging into the new year with 42 new weight loss patients scheduled the week of 1/6/14!! You have been a blessing to me, my family and my community!

Thanks Dr. Ray
-Dr. Arthur.

I've been in practice taking care of patients for the last 7 years and seeing up to 1800 patients a week in an **ALL** cash practice. I also started a new practice this year and started it from scratch with zero patients. I was referred by a colleague to at least check out the **EZ Practice Growth** system.

I couldn't have imagined the dramatic impact it would have in my life, my new clinic, for my team and my patients. It was profound the number of new patients coming to the door excited and eager to get started... I didn't have to worry about insurance reimbursements nor worry about where I was going to do my next screening or talk.

The **EZ Practice Growth** system is turnkey and automated, patients just kept coming in eager to pay in full to get started. I pride myself on providing quality patient care, I would never compromise any aspect of my practice if it meant providing less than the best in patient care, which is why the **EZ Practice Growth** was so amazing, not only did I collect over \$55k in one week within the first three months of my new clinic opening. I've seen an incredible outcome in patients results. In fact the patient satisfaction and quality of results has truly blown my mind.

I've never seen such a positive impact in all my years in practice thus far with the **EZ Practice Growth** system. My staff is excited, my patients love the program and my bottom line has never been more profitable and this has all happened within 5 weeks of starting. You owe it to yourself to learn more about Dr. Ray Wisniewski's **EZ Practice Growth** system, I would highly recommend you follow up by calling or emailing today.

Tripled his already high income in just 2 months!

"I've been in practice for 22 years, and I can honestly tell you... This system is unlike anything I've ever seen. In 22 years we have been very successful. We have a nice house, drive a nice car, we go on lots of nice vacations, but..."

IN 2 MONTHS OUR INCOME HAS LITERALLY TRIPLED!

It's really nice! I can't tell you the freedom that gives you... you don't even have to be in the office. Last Tuesday we brought in \$12,000 just from what the girls were doing in the office because it runs itself!"

By far the easiest, most profitable way to explode your practice and your income with weight loss & nutrition.

UPDATE: Dr. Howard Werfel

"On January 2, 2014, We collected over \$18,000 and it was fun and easy as we transformed lives and lead them to principled chiropractic care."

My name is Howard Werfel. I've been a principled straight chiropractor for over 20 years and I have to say I have never, ever, ever seen a better new patient machine than this

system that Dr. Ray has created. I also have never seen a better weight loss system than what he has created... This is the easiest thing I have ever done. I have to say this the best addition that I have seen in the longest time...

MY INCOME IS BY FAR BETTER THAN IT HAS EVER BEEN... MY INCOME DOUBLED IN THE FIRST TWO MONTHS DOING THIS SYSTEM!

The Breakthrough Technology & Management System to **EXPLODE your Income!!**

Dr. Ray has everything in place so that you are off and running the very first week. In fact, we signed up 16 people for the in office review the very first day we started telling our current practice members about it... by the end of the second day, we filled our first workshop up w/ 20 patients, and schedule 2 additional workshops. By the end of the week, we filled up 3 workshops w/ a total 60 patients and scheduled our 4th workshop. I'm loving it!

Yesterday, although my office was closed, the entire day was filled with NutriMost patients...they gladly pay for it and love the results...it's already created the coolest in-office-culture among patients.

As for the profit, well, I've greatly expande my goals from my original expectations after seeing the results of how this system is working.

We were able to easily DOUBLE our investment in the first 2 WEEKS!

We still haven't even gotten the bulk of the people through the workshop...

I've never seen or heard of anything like this before and I look forward to massive growth in all areas and fulfilling the mission of seeing my community maximize their God-given health and healing potential.
